### Basketball Rules Of Play When Courts Are Open

- 1 Court Open: Half court play is mandatory when people are waiting to shoot around.  
If a full court game is in the process of being played and people come in to shoot around - the current game will be played out to 3. Half court play will then be mandatory.
- 2 Courts Open: Far court (Red and Yellow) is reserved for full court play.  
Near Court (Blue and Green) half court play is mandatory when people are waiting to shoot around.  
If a full court game is in the process of being played and people come in to shoot around - the current game will be played out to 3. Half court play will then be mandatory.
