WELCOME!

Dear Parent/Guardian,

Welcome to the Before and After School Enrichment (BASE) program of the Tampa Metropolitan Area YMCA! As the trailblazer of organized school age programs, the Y also remains the nation's largest provider of Before and After School programs. **This year is no exception as we launch an exciting array of Before and After School Enrichment experiences and areas of interest including:**

- **Project Based-Learning curriculum with a focus on STEAM (Science, Technology, Engineering, Art and Math) in addition to homework assistance**
- **Exposure to cultural arts and service learning projects**
- **Evidence based physical fitness and health curriculum**
- **FREE snack served daily with group discussions around MyPlate**
- **Promoting positive social and emotional experiences**

Please take a few moments to review this BASE Handbook & Resource Guide, that outlines our policies and procedures to ensure your child(ren) have a safe and rewarding experience. Many of the commonly asked questions about BASE are answered here. This manual and additional information are also available at tampaymca.org. Most other BASE related communications will be via email and sent to the email address you provided at registration. You can "Like" the Y on Facebook at www.facebook.com/tampaymca to see regular updates pictures and communications about the Tampa Metropolitan Area YMCA.

As we look at quality, the Y annually reviews policies, procedures, administration and operations in order to effect necessary and continual improvements so that you and your children have the best experience possible with safety and fun programming at the forefront. Sometimes fun can look a little messy especially around pick up time but rest assured; our trained staff are transitioning the children from one exciting activity to another and/or cleaning/organizing our shared spaces.

The Y is also committed to each child's personal growth in spirit, mind and body. One way in which we achieve this goal is through our character development program. The character values of caring, honesty, respect and responsibility are woven into our daily BASE activities.

Additionally, the purpose of the Y BASE program is to help participants grow socially, emotionally, mentally and physically. We offer an exciting BASE curriculum that encourages fun learning even during snack time with our Chat and Chew.

The Y BASE program can give your children an experience that can last a lifetime. Their experience is based on seven objectives that characterize all Y programs:

- **To learn 4 core values: Caring, Honesty, Respect and Responsibility**
- **To grow personally**
- **To improve personal and family relationships**
- **To appreciate diversity**
- **To become better leaders and supporters**
- **To develop specific skills and encourage learning**
- **AND to have LOTS of FUN!**

As your partner in developing youth, please share with us any information that will help make your experience the best possible.

Let's have a great year!

CHILD CARE ACTIVITIES

Daily Schedule

Specific daily schedules are provided at each care location. For after-school programs, the schedule will be comprised of an open ceremony/attendance, snack, STEAM projects, Arts and Crafts, Study Hall with Homework Assistance, Physical Fitness, Centers, Service Learning and FUN. Time, length and activities subject to change.

Study Hall

Your child is given the opportunity to complete their homework while in After School. During this homework time (estimated 35-45 minutes), our staff are available to assist your child with their homework needs. Though we cannot guarantee completion of homework, if there are any special circumstances, we ask that you let your Site Supervisor or assistant know. This is an important part of the YMCA-Home Partnership. We want to make this a positive and successful experience for you and your child.

Food & Snacks

An afternoon snack will be provided to after-school program participants. The YMCA's child care program will not serve junk foods and/or empty calorie foods as part of a required snack. Snacks always include a minimum of two food groups. A menu will be posted for the month on the parent board. If you want to bring food for special celebrations, we ask that it be a healthy snack (popsicles are accepted for special occasions). For more information about food policy and allergens, please see Health & Safety: Food Safety/Allergies on page 18.

Outside Play

It is our belief that children need and want to be outside. Running, jumping and other such movement can only be accomplished outside. Children need the space and the opportunity for such movement on a daily basis, in order to have proper muscle development. Outside play is essential for children to gain strength and develop to their fullest potential.

Personal Items

We have plenty of equipment and activities to keep your child busy. Please do not allow any toys, video games, electronic tablets or cell phones to accompany your child. This eliminates fights, theft and/or lost items that we cannot be responsible for and will not reimburse. Personal space is important for every child. Our programs will have a designated place for your child to store their backpacks, lunch boxes and other items that they bring to the program with them.

What To Leave At Home

The following items are not permitted at BASE. Children should not bring any item to program that would cause their feelings to be hurt if it was lost, broken or stolen. Any prohibited items that are brought to BASE will be stored in the child's backpack for the remainder of the day with their belongings. The Tampa Y is not responsible for lost or stolen items.

- Reading glasses, sunglasses, lunchboxes, backpacks
- Toys or games including trading cards (magic cards, baseball cards, Pokémon cards)
- Electronics of any kind (cell phones, iPads/tablets, iPods/mp3 players, eReaders, Nintendo, gaming devices, etc.)
- Clothing with foul language
- Jewelry
- Animals
- Weapons or anything that looks like a weapon
- Alcohol, drugs, or other related paraphernalia
- Personal sports equipment

Pick Up

Please note again our pick up time is also the time we must end program. Those with late pick up will be charged a late fee. For more information please see page 14.

- BASE in-school program end at 6:00pm
- BASE family center programs end at 6:30pm (excluding YMCA Camp Cristina who ends at 6:00pm)

CHILD'S RESPONSIBILITIES

Behavior Expectations

There are clear and appropriate behavioral expectations for the children in our care. We instruct our staff to try to set limits, help children understand rules and give clear definitions of acceptable and unacceptable behavior at the start of every program. We also focus on redirecting any inappropriate behavior, as well as using positive narration to help encourage appropriate behavior.

A very important part of our program is giving children the opportunity to learn how to get along in the world, enjoy being with other children, and follow the direction of an adult other than their parent. A caring and positive approach will be taken regarding behavior management and discipline. The staff will focus on the positive behaviors of the children and reinforce those behaviors as often as possible. Our goal is to help the children develop self-control and responsibility for their actions.

Progressive Discipline Steps and Procedure

In alignment with the Positive Behavior Interventions and Supports (PBIS) Behavior Management System used throughout Hillsborough County Public Schools, we have adapted the multi-tiered framework to meet the needs and improve the outcomes for all students.

*It is important to remember these tiers refer to levels of support students receive, not to students themselves. For example, students receive Tier 2 supports; they are not Tier 2 students.

Tier 1: Universal Prevention (All)

A very important part of our program is giving children the opportunity to learn how to get along in the world, enjoy being with other children, and follow the direction of an adult other than their parent. A caring and positive approach will be taken regarding behavior management and discipline. Tier 1 supports serve as the foundation for behavior for all students in our program.

Staff will encourage children to use their words to express feelings and frustrations. Staff will aid in facilitating children in their attempts to settle their own disputes.

Using positive redirection staff will redirect children from a challenging behavior to an appropriate, positive behavior.

Provide a verbal warning to students if the inappropriate behavior continues and provide an opportunity for a Behavior Reflection Activity to reflect on their behaviors before returning to any scheduled activities.

If a child receives a verbal warning, parents will be made aware of behavioral concerns using our Parent Communication Notice and, if needed, an Incident Report.

Tier 2: Targeted Prevention (some)

Tier 2 supports help improve behavioral, social, and emotional skills for all students. This level of support focuses on improving specific social and behavioral outcomes for individual students with a demonstrated need for additional tools to identify and self-regulate elevated behavior.

Increased Instruction and Practice with Self-Regulation and Social Skills utilizing built in Social and Emotional Learning Curriculum Tools

Intentional proximity and seating. Staff are instructed to move, scan, and interact more frequently with students. This can be accomplished with simple rearrangements of seating. At no point are our staff able to provide 1:1 support for students.

Another key practice to encourage positive behaviors is to anticipate when a student is likely to demonstrate undesirable or inappropriate behaviors and set students up for success by reminding them of desired expectations. For example, staff may specifically remind students of BASE rules and expectations prior to the start of program and/or specific activities.

Tier 3: Individualized Prevention and Behavior Plans (few)

Tier 3 practices start with strong Tier 1 and Tier 2 foundations.

Staff are instructed to contact parents for immediate pick up and/or possible suspension from our program depending on the severity of behavior and/or incidents.

Senior Leadership will work with parents, staff, and the child to create an Individualized Behavior Plan to achieve desired behavioral outcomes for success in the program.

Suspension/Expulsion

The Tampa YMCA BASE program maintains a ratio of 1 staff to 25 children. In an effort to provide quality active supervision at all times, if a child exhibits severe behaviors and/or requires excessive parent communication the YMCA has the right to suspend and terminate enrollment for that child at any point, effective immediately. Depending on the severity of the suspension, a parent conference with leadership may be required before the child can return to program. Should a student be expelled, they may not attend another YMCA program for the remainder of the year and no refund will be issued.

Character Values

The YMCA believes strongly in character development and in teaching our students the importance of our four core character values. We spend time reinforcing these values at after school by pointing out students who display these values throughout the day. Each of the four character values have a color associated with it. Please talk with your child at home about these character values.

RESPONSIBILITY | CARING | RESPECT | HONESTY

PARENT'S RESPONSIBILITIES

Financial Responsibility & Fees

Program fees are due in advance of service. In order to ensure that we have all the resources required to serve your child each week, tuition payments are due on the Monday prior to each upcoming week. Please keep this in mind with holiday breaks such as Thanksgiving break, Christmas Break and Spring Break.

Payments are automatically drafted from your credit card or debit card, using the information you provided when registering. Draft time cannot be scheduled and typically occurs at 1am on the day the draft is scheduled. Please ensure you have updated credit card information on file at all times.

Your program registration is planned by the week. We prepare snacks, activities and staff for your child each day. Few operating costs are eliminated when a child is absent because we prepare for each child every day. Because of the aforementioned, we do not refund or pro-rate fees for absences.

Before & After-School Fees are based upon the 180-day school calendar and are divided equally into weekly payments. We understand that there are some weeks during the school year with fewer than five days of service. We do not issue credits or refunds for scheduled school holidays, sickness or closings due to inclement weather.

Parents using school readiness are required to pay the difference between the approved reimbursement rate and the private pay rate.

Late Payments

If late payments accrue, you may be subject to a \$25 charge that will be placed on your account. The late fee along with your balance due must be paid prior to your child attending. Failure to pay on time, or your child's absence for more than two weeks without payments, will result in your service being discontinued.

*Your child may not return to the program until the balance is paid.

To Pay Balance

To access the website you must be using Google Chrome or Firefox. Below are the steps on how to add and select the billing method for your monthly draft.

Financial Assistance

The Tampa Metropolitan Area YMCA is able to provide financial assistance based on ability to pay, thanks to generous supporters of our annual giving campaign. We understand that financial hardships may happen at unexpected times during the school year, and we work quickly to provide financial assistance to families based upon their ability to pay. If your family has trouble affording the weekly tuition, please contact your YMCA Before & After school business office at (813) 867-5455 regarding financial assistance options. If you wish to apply for financial assistance for in-school BASE programs, please go online to tampaymca.org/afterschool. In YMCA Family Center programs, please contact your center. All scholarships are awarded based on availability of scholarship funds that are made possible through the generosity of YMCA donors.

Arrival & Departure

Parents are expected to sign their children in upon arrival for before care and sign them out before leaving in the afternoon. There is a Sign-In/Sign-Out sheet available as you enter the program and ID must be provided at pick up each day before your child will be released to you. All persons signing children in/out must come into the building and be at least 18 years of age. A photo ID is required each day for pick up as the safety of your child is our number one priority. Failure to provide your ID daily will result in discontinuing of services from BASE.

Authorization to Pick Up

Authorization to pick up a child is given in the BASE application. We will not release your child to a person not authorized in writing by the custodial parent. Photo ID will be requested. Our staff cannot legally refuse to release a child to a verified natural parent unless there is a court order in the child's file stating that the parent does not have custodial rights. Only the courts can give us that right. Should there be any uncertainty the authorities will be contacted as we do not get involved with parental disputes or custody battles.

Late Pick-Up

If you know you are going to be late, call us. We do understand that things come up and traffic can be challenging even in the best of times. We worry about your safety just as much as your child does. We understand, that a late pick-up may occur on a rare occasion. However, many of our programs operate in a shared space and are unable to continue providing care after we close. Our programs close at 6pm for in school BASE and 6:30pm for Family Center BASE programs (excluding YMCA Camp Cristina who ends at 6:00pm) and if your child is not picked up by the end of program, then a late fee will be charged to your account. For Family Center BASE programs, this charge will be collected at pick-up. If it is 6:01pm (by our clock), then it is time for our program to close and you will be charged a fee. The fee is \$10 per child per 15-minute interval. If it is after 6:00pm. If neither you nor your emergency contact can be reached, we will keep your child up to one hour. After that time, the police will be contacted. In the case that the police cannot rectify the situation, Child Protective Services will be called.

Excessive Late Pick-Up

The Tampa Metropolitan Area YMCA has found that it is necessary to have an excessive late pick-up policy, which could result in the removal of your child from our program. This policy is as follows: if you are late more than

PARENT'S RESPONSIBILITIES

three times in any program cycle, you may be asked to remove your child.

Attendance/Absences

For the safety of all children, please understand that when your child does not show up to our program we must verify his/her whereabouts. This puts great strain on the rest of the program participants since the program cannot start until a final headcount is accurate. Notification prior to the program start of planned absences, early pick up, or planned tardiness will ensure the smoothest transition for all participants.

Parent Involvement & Feedback

The Tampa Metropolitan Area YMCA highly encourages parent involvement. We are honored that you choose us to help raise your child and we want to make sure we are on the right track. If you wish to visit your child while in the program, you are always welcome. We just ask for advance notice. The Y will also provide family involvement activities to promote family together time. If you wish for feedback on your child's development, you are welcome to ask at any time.

Parent Code of Conduct

At every opportunity we hope to promote the mission and core values of the YMCA. Parents/guardians not displaying these core values to their children, our staff or other stakeholders could be asked to exit the program, which may also include the child being exited.

Information Updates

We ask that any updates to phone numbers, emergency contacts or authorized pick-up be given in a timely manner. We will ask you to review your child's information on file quarterly.

Cancellation Policy/Leaving the Program

The last day to submit a cancellation is at least 14 days (2 weeks) prior to the start of each week. Cancellations must be submitted in writing and emailed directly to yafterschool@tampaymca.org. Changes and cancellations cannot be accepted at a Y center or camp location for in-school BASE programs. Verbal cancellations will not be accepted to turn off payment. Only a written notice to the above email address will be accepted. In addition you must verbally inform your Site Supervisor or assistant. Failure to cancel in writing within the appropriate timeframe will result in no credit/refunds being issued. The \$40.00 registration fee is non-refundable and non-transferable.

If canceled AT LEAST 14 days PRIOR to the start of the week:

- Registration fee: will be FORFEITED
- Balance: if applicable, may be refunded

If canceled WITHIN 14 days PRIOR to the start of the week:

- Registration fee: will be FORFEITED
- Balance: will be FORFEITED

The Y does not give refunds once the draft hits your credit card or for failure to give an advanced 2 week written notice. Once we receive your notice the automatic draft will be set up to turn off 2 weeks from the date of written notice. Any balances dues remaining must be paid in full prior to returning to any Y program.

Transfer/Change Policy

There is no transferring of fees from one Y program to the other or refunds/changes of payment for children being absent. This includes children who are out sick or have gone on an extended vacation.

Credits and Refunds

Y Canceled: A full credit/ refund will be issued in situations where the Y cancels program for an extended period of time.

Weather-related Closing: No credit/ refund will be issued should weather cause program closings.

Absent and/or Sick Child: There is no reduction of fees if a child is absent from program, including illness.

Damaged Property: Replacement costs for damaged or broken Y property or school property, either accidentally or deliberately, is the responsibility of the parent/guardian; this includes any property associated with program operations, locations and vehicles.

Behavioral Issues and Suspensions: If a child is suspended from program, a refund will not be issued. Child may be dismissed from the program without notice if their behavior is consistently disruptive or if their behavior threatens the health and safety of themselves or the safety of other children or associates. Behavior guidelines apply to a children's parents, guardians or caregiver and a child may be dismissed from program due to their actions. Please see the behavior policy on page 12 for reference.

Program Concerns: Any concerns with program operations, activities or events should be brought to the attention of the Director/Coordinator/Site Supervisor/Assistant immediately in an attempt to correct the

HEALTH & SAFETY

Food Safety/Allergies

The health and safety of our children is of the utmost importance. It is imperative that the child-care staff is aware of any food allergies before enrollment. At some programs, food is provided and a menu is posted. If food is not provided, your child's food brought to the center will be checked daily and labeled with his/her name and date. There is absolutely no food sharing allowed. All outside food provided for groups (i.e. birthday cupcakes), must be cleared with the Supervisor in advance.

Dress Code

Children should wear comfortable and appropriate clothing for indoor and outdoor activities. We use washable paints and crayons; however, clothing can still get stained. We do not reimburse for clothing rips, stains or normal wear and tear. It is expected that the parents will provide proper seasonal clothing. **CLOSED-TOED & CLOSED HEELED SHOES MUST BE WORN AT ALL TIMES.** Open-toed shoes can be a safety hazard to your child. If you send your child in open-toed sandals or in flip-flops, you will be called and asked to bring different shoes for your child.

Transportation Policy

YMCA family center-based programs only

When the Y provides transportation for children (Family Center Programs Only), from school to the family center, there are strictly enforced safety guidelines that Y associates follow.

Guidelines include:

- Supervision of children prior to loading and after unloading the bus
- Annual vehicle inspections
- Pre-trip safety checklist
- All vehicle equipped with a first-aid kit
- Associates will have active First Aid and CPR certifications
- Cell phone available for emergencies

In addition to these guidelines associates will instruct and supervise children of the rules of the bus prior to the bus moving. **Children are expected to follow the rules or risk losing their transportation privileges.**

These rules include, but are not limited to the following:

- Safe seating shall be provided for each person, with the maximum rated seating capacity specified for each vehicle
- Seat belts must be worn at all times, if available
- Children must remain seated while the bus is in motion
- Any passengers in wheelchairs will be belted in and chair wheels locked. Other reasonable accommodations may apply for children with special needs
- Children must remain seated at all times and heads should be visible No child should lie down in seat or on each other's laps
- At no time should head, arms, or other body parts be out of the window or in the aisle
- Conduct of bus riders must not disturb or distract the driver
- No objects shall be thrown from the vehicle at any time
- Children must hold on to their own belongings. Aisles and the floor must remain clear of backpacks, lunch boxes, and any other items.
- Attendance sheets will be present on each bus for each bus stop. Campers will be lined up outside of the bus and attendance will be taken as they load the bus.
- Vehicles should follow convoy travel procedures (when applicable)

Should the need arise due to an emergency, a change in weather or a change in established plans, Y program will contact parent/guardians via email (if they are signed up for them) and will also receive an email to the email address you registered with to let you know what changes have been made or what the emergency is. If there is a critical emergency parents/ guardians will be contacted via a phone call.

Each location that offers transportation to and/or from program will communicate specifics of the transportation plan with parents/guardians separately.

Site Safety Plans and Procedures

Each site has their own emergency action plan. Should you have any questions, please contact your site supervisor or program director.

Sick Child

The health and safety of your child is a matter of major importance to all of us. In order to protect the children in the program who are well, we have very stringent rules about sick children. If your child becomes ill in our program, we will call you and you must make arrangements to pick up your child within 30 minutes. Readmission will be allowed with a doctor's note or when a child has been without symptoms for 24 hours. This means if we send your child home on Tuesday, he or she may not return until Thursday.

Please keep your child home if your child has:

- had a fever in the previous 24 hours
- a cold that is less than two days old
- heavy nasal discharge
- constant cough
- reoccurring vomiting or diarrhea (two or more times)
- temperature of 100.4° F
- symptoms of communicable disease (sniffles, reddened eyes, sore throat, headache and abdominal pain plus fever)

Medication Administration

The YMCA will only administer **emergency** medication prescribed by a doctor and in its original labeled and dated packaging. Should your child require **emergency** medication during program hours, then the following will be required:

The person registering the child for the program must supply all necessary medication along with written instructions on the Medication Form provided by the YMCA as to the quantity of dosage, time/frequency of administration, how administered, name and phone number of the doctor, reason for medication and any other considerations related to the medication or illness. **Failure to provide emergency medication may result in delay of child's start date.**

Incident report will be completed per our incident report procedures if emergency medication is administered during BASE hours.

*For in-school programs daily medication and over-the-counter needs, please speak to school nurse for facilitation prior to program.

**The listed medication policy is only for YMCA BASE programing. Other YMCA Youth programs may have different policies; please refer to the specific medication policies applicable to full day programs, i.e.; Summer Camp, Kids' Day Out, etc.

HEALTH & SAFETY

Allergies

It is the parent's responsibility to inform the Y of any allergies your child might have. Please list any allergies in the child's Registration Packet completed during online registration. Should any changes need to be made, contact yafterschool@tampaymca.org and inform your Site Supervisor of the update. When necessary, you will need to provide additional information on signs, symptoms and treatment of allergies.

Child Injury

All Y Associates are trained in CPR and First Aid. In the unfortunate event that your child incurs a major injury at BASE, Y associates will contact a parent or guardian. A parent needs to always be available by phone in case of emergency. Doctors and hospitals will not treat a child (except in life threatening cases) without the parent's presence or permission.

In case of an emergency requiring immediate medical attention, Y Associates are required to:

- Administer appropriate first aid
- Make the child comfortable
- Call for an ambulance
- Notify the parent/guardian
- Notify Y Association Leadership

Y Leadership may follow up on any injuries by contacting parents that same evening or following day. In case of an injury not requiring emergency care, staff members will:

- Administer appropriate first aid
- Notify the parent/guardian
- Observe and monitor the child's activity

In the event that your child gets a minor injury at BASE which is determined to only require basic first aid, Y Staff will administer the appropriate first aid. Parents will be notified of any injuries at the time of child is picked up. An Incident Report will be written in reference to the injury. An individual who is authorized to pick up the child will be required to sign-off that they received the communication with regards to the incident when they pick the child up.

Please make every effort to keep the YMCA up-to-date on phone numbers, emergency numbers and other pertinent information.

Inclement Weather

The Y’s BASE program may close during hazardous weather conditions. Inclement weather conditions may delay our opening and/or transportation of your children. Please note that our primary mode of communication with you will be via email. Please ensure that you have an accurate email on file. No exceptions for not receiving the information will be made.

In order to serve children and families to the best of our ability, the Tampa Metropolitan Area YMCA has developed inclement weather policies for school- based programs and family center programs.

Weather-Related Situation	YMCA-Based Programs	School-Based Programs
School Closing	Depending on the severity of the weather, Kid’s Day Out Camp may be available (for a limited number of children) at your YMCA family center, if the family center opens before 10am.	School-Base programs will follow the school closing schedule; however, depending on the severity of the weather, Kids Day Out Camp may be available (for a limited number of children) at your YMCA family center, if the family center opens before 10am.
Delayed Opening	There is no before-school. After school program will open at normal time.	After school program will open at normal time.
Early Dismissal	Program will operate from the time of school dismissal and close at 6pm.	Program will operate from the time of school dismissal, and close at the following times: 6pm at Northwest Family Center, and 6:30pm at Bob Sierra Family Center and YMCA Camp Cristina.

The YMCA will make every effort to provide care in the event of inclement weather; however, the safety of the children and staff are our primary responsibility. The YMCA could close and/or adjust the inclement policy due to hazardous weather conditions. We will follow the same procedures to contact you regarding closings and/or adjustments to the policy as outlined above. Late fees outlined on page 14 under Late Pick-up. Policy will still apply during weather emergencies.

Heat Index Plan

If heat index reaches 100 degrees, children will be kept out of the sun and all high intensity activities will be canceled. Only low-intensity activities will remain outside and in the shade. If heat index reaches 105 degrees, all children are brought inside and all outdoor activities canceled.

QUALIFIED ASSOCIATES

Our Associates

The Y has hundreds of trained associates and volunteers working with children and youth in the many programs we provide. The protection and safety of children is our first concern. In addition to our Y quality standards, all Y BASE Associates meet the specified requirements by the Hillsborough County School District.

Our Screening

We have a multi-layered approach to reviewing, interviewing, and screening all candidates for all positions. Prior to a hiring offer, all candidates undergo a background check through an independent search company, a review on the National Sex Offender's registry, fingerprinting, and reference checks.

Our Training

We are strongly committed to providing quality BASE programs. The Y offers staff the opportunity to grow both personally and professionally through ongoing development and training. All staff participate in at least a full week of training (or more!). Trainings include the Prevention and Identification of Child Abuse, First Aid, CPR, Y Character Development, Early Coalition & E-Learning courses and Curriculum Implementation. Staff members attend classes at our Y, onsite at BASE locations and online. Supervisors and directors complete additional training to promote a child safe environment.

Policy on Associates Working with Children Outside of Y Time

Employees are often asked by Y families to provide child care (babysitting) and other services on their own time to Y members and their families. The Tampa Y does NOT permit employees to provide babysitting or other services to families or children they meet through Y programs. In addition, associates should not provide transportation in a personal vehicle or be in personal contact with your child outside of Y programs. This includes personal communications not related to Y programs through email, texting, phone calls, letters, or contact over the internet. Such policies are designed to protect children and associates from child abuse and/or false allegations. Parents are asked to report any violation of this policy to Y Leadership.

Child Abuse Prevention

All Y associates receive training on the Prevention and Identification of Child Abuse. It is mandatory for child care providers to report any suspected cases of child abuse and/or neglect to Child Protective Services. All Y associates are mandated to report any suspected child abuse. For more information see next page.

ABUSE PREVENTION POLICY

The growth and development of men, women, boys, girls and families has been the Y's principle concern for over 150 years. Through programs of health and wellness, aquatics, sports, camping, parent child, family programs and child care, the Y is responding to the needs of children and families. Many changes have occurred in the lives of children and families today. Some of these changes are positive. However, the alarming increase in child abuse is of particular concern to the Y. Throughout its history, the Y has been a strong advocate for children's rights. It is therefore most appropriate that mistreatment or neglect of children and the resulting severe effects would be of primary concern to the Y.

The Y advocates a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection, prevention and the development of self-discipline. At no time will the following disciplinary techniques be tolerated: physical punishment, yelling, striking, biting, kicking, squeezing, shaming, withholding food or rest room privileges, confining children in small locked rooms, or verbal or emotional abuse.

YMCA staff and volunteers need to be sensitive to each person's need for personal space (i.e., not everyone wants to be hugged). The Y encourages appropriate touch; however, at the same time it prohibits inappropriate touch or other means of sexually exploiting children. Based upon its concern for children, parents and YMCA staff, the following standards related to reporting procedures, staffing, standards, code of conduct and resources for parents and children, have been developed.

****Note:** Tampa Metropolitan Area YMCA like many other public institutions, is mandated by law to report suspected child abuse to Child Protective Services within 24 hours of reported incident.

CHILD ABUSE is mistreatment or neglect of a child resulting in injury or harm. Child abuse may be physical, verbal, emotional or sexual. Its effects may result in severe emotional and physical handicaps, anti-social behavior, even death.

Procedures for Reporting Suspected Child Abuse

1. At the first report or suspicion of child abuse, the staff or volunteer to whom it has been reported will immediately inform his or her supervisor.
2. Whether the incident or alleged offense takes place on or off YMCA premises, it will be considered job-related (because of the youth-involved nature of the Y).
3. The Tampa Metropolitan Area YMCA will make a report within 24 hours to Child Protective Services and will request that the situation be investigated. In the event the reported incident or suspicion involves an employed staff person or volunteer, the responsible Executive Director will suspend the person from all responsibilities until the investigation is complete.
4. All staff members and volunteers must be sensitive to the need for confidentiality in the handling of information in this area and are therefore instructed to only discuss matters pertaining to abuse or suspected abuse with their supervisors.
5. YMCA staff may not make contact with child(ren) or parents involved in a child abuse incident.
6. All incidents or alleged offenses will be documented on the day of occurrence.
